## Cover Letter

---

My Name is Hesham ALi, and I am a Frontend Developer with expertise in React, TypeScript, and Tailwind CSS. My core skills include: - **React**: Building dynamic and responsive user interfaces. - **TypeScript**: Enhancing code quality with type safety. - **Tailwind CSS**: Creating modern and flexible designs.

I am excited about the opportunity to bring these skills to Your Company and contribute to your team.

Thank you for considering my application. I look forward to discussing how I can be an asset to your company.
